

Town of Clifton Park – Industrial Development Agency

Accomplishments for 2019:

Our significant activities include:

- Finalization of the Pierce Rd Procedure Center project located at 713 Pierce Rd, CliftonPark. This project consists of approximately 1,300 sq. ft. of surgical center for pediatrics dental care. This center provides surgical/operating rooms for operations currently not provided anywhere in Clifton Park. This facility allows for more patients to be seen and shortens wait times for appointments.
